Hi Folk

Today we have quite an assortment of beautiful Andamooka round opal strands to show you. Andamooka opal is very healthy Australian opal and is well worthy of handing down from generation to generation.

My favourite amongst these, without breaking the bank, is the beautiful Andamooka Blue Green 4-6mm rounds 60cts \$495, the beads in this necklace are translucent with a mix of pale blues, purples and greens. This strand is truly gorgeous and yes it's even more blue and beautiful than our photo suggests. I am sure there will be a few of you that will be wanting this strand today so be quick if you wish to get your order in first.

We hope you enjoy today's Offer.

Remember we take payment plans, just tell us of your plan and we shall consider it.

Enjoy.

Kind regards

Heather
