Subject: Andamooka Bead OFFER 16 Sep 2011

Hi everyone

I've had heaps of fun this afternoon going through the Andamooka bead bag to select some gorgeous strands to show you in this week's Offer.

I particularly like IMG_5373 Andamooka 5-10mm round 100cts for only \$600 with its intriguing planet like beads. It has very very bright greens and blues with a touch of red.

Another favourite, and my Mum would knock you over in the rush for it, is the beautiful Andamooka fully translucent 6.5mm round 80ct strand \$400. Again it has very very bright blues and greens (mainly blues).

If you prefer a mainly green strand you cant go past the Andamooka with delicate crystals 5-8mm round 84cts for \$1,435. I'm actually surprised this strand hasn't already sold, it's so pretty.

I hope you enjoy the photos.

Remember we welcome payment plans and please don't be bashful we are more than happy to work with you.

Thank you for shopping with us.

Regards

Heather
