Subject: Best Opal Rondel Strands OFFER 17 May 2011

Hi everyone

We thought you might like the opportunity to purchase some of our tops in rondels.

If you are keen on reds we have four exquisite strands which are 'to die for' with many many reds:

DSCN3653

IMG_4973

IMG_9823

and

IMG_7979

all at very reasonable prices.

But if it's your dream to own a Black opal rondel strand, we have five absolute beauties for you to select from. My pick would have to be:

DSCN9650 for its striking blues

and

IMG_1737 for it's contrasting jet blacks and deep blues & greens.

We hope you enjoy our Offer and we look forward to hearing from you.

Kind regards

Heather
