Hi Folk

Today we have beautiful Doublets & Triplets to share with you.

We also have some lovely large freeform doublets, if you wish to see some photos please don't hesitate to email us.

For those of you who would like to try just a few we would be happy to select them for you and post regular air mail to save you on postage. For instance postage to the US would be about \$2.50 plus 2% insurance. Of course if your order is bulky we would need to send it parcel post.

We have attached our Price List if you wish to consider different sizes and qualities than what we have in today's Offer. Please note that not everything will be available of course but we should be able to source some for you.

Regards

Heather
