Subject: Carvings, Pendants, Beads OFFER 27 Mar 2012

Hi Folk

Today we have quite a mixture including carvings, set pendant, pendants with sterling silver bails, many beads, strands and loose beads. For the first time we are going to offer pendants with sterling silver bails, we usually just sell them with a drill hole for you to put your own bail in but Heather thought that some of you may not have a bail to put in so we have made it easier for you.

I particularly like the Boulder Rose with a silver bail for only \$60. There is a beautiful Boulder Opal pendant for \$140 it has been drilled from side to side and it has some purple cord around it. What I really love is the mosaic pendant set in sterling silver for only \$225, it is a huge piece, approximately 37mm x 18mm. It is like a moon or semi circle for only \$225 you'll have for yourself one outstanding opal, when you wear it everybody is going to comment on it and they are all going to get pleasure from looking at it, apart from the pleasure you are going to get from wearing it and being its owner. The chip strand of beads is from Andamooka 115cts for only \$300. There are brilliant colours in there for less than \$3/ct, it's an absolute bargain. Of course the most beautiful thing is the rondel Mintubi strand for only \$1,975. There are some loose beads here not drilled for you to make up earrings etc, so go to it.

Enjoy our Offer.

Regards

Murray

PS don't forget it's the year of the dragon, there is a lovely dragon here with a sterling silver bail for only \$30.
