Subject: Chrysoprase Bead OFFER 14 Apr 2011

Hi everyone

We have included a few photos of some beautiful Chrysoprase necklaces and earrings which my daughter assembled for my wife last week (see first 3 photos) just to give you a few ideas on how to make your own. These strands sell for up to \$3,000 each in the shops.

We have other stones and shapes if you are interested. Just send us a quick email we would love to hear from you.

Regards

Murray

BLOG from happy customer re last week's offer Len Cram's special collectible book "A Journey with Colour a History of South Australian Opal 1840-2005":

"What a great book. I received it yesterday, and it is spectacular. I don't even think I read 100 words of it last night, I was too caught up in the photos. I just finished reading the portion on your interview. Pretty inspiring. I was imagining what might have been like on some of those tables. And what it is like in some of the mines. Makes me want to take a trip out there. Thanks again for the book."
