Subject: Drilled Frog Carvings OFFER Dec 2011

Due to popular demand in our Offer this week we have had an assortment of beautiful opal and chrysoprase frogs drilled ready to be worn.

IMG_3175 below shows where the drill holes are located on each of the carvings. These unique little frogs are all hand carved and each deserve a loving home but be quick before they are all snapped up.

Compliments of the season. We hope to be hearing from you a lot in the new year.
