Hi Folk

This week we have a few gem and crystal opalised shells which you are going to just love.

IMG_7157 is a lovely polished gem Mussel approximately 47mm long x 32mm wide and 20mm thick, it's a beauty for only \$60.

IMG_7144 is a part Shell skin Crystal with brilliant greens and blues. As I hold it my hands it just glows - so pretty. It will make gorgeous doublets. Again only \$60, you can't wrong at that price.

Another Gem Shell skin is IMG_7118 \$220, it has stripes of very bright reds and blues, is stunning and very interesting to study. It will make a super pendant, just polish and voila a beautiful piece to behold.

Are you artistic or creative?

For the artistic cutter or carver we have two terrific Andamooka Angel Stones with Super Gem Bars. I just love these it's like looking into small creeks to see what's hiding on the bottom. In this case the creek is bright blue with iridescent greens. You can hold the larger stone at an arm's length and still appreciate the beauty in the super gem bars. The smaller piece has lots of reds and golds surrounding the blue green gem bars, it's very sweet and attractive. For the two stones we are only asking only \$235, see IMG_6994.

Our SPECIAL for the week is IMG_7169 5oz Mintubi \$125/oz \$625. Very good value.

We hope you enjoy this week's Offer.

Be quick to secure your order.

Kind regards

Heather
