Subject: Carved Hedgehog & Horse Skull OFFER 15 Jun 2011

Folk

Below are a few pictures of a Hedgehog that we had cut from Boulder opal it weighs 45.5oz, it stands by itself and is a beautiful piece. Heather says it's cute. One of the quills has some beautiful blue boulder in it some others have some colours that are even brighter but they haven't shown up much with the way it was carved. This piece is only \$500. I'd hate to think what it would cost to have it carved in Germany. I think the work on this is spectacular.
