Subject: **Inexpensive Black Opal cut stone OFFER 30 Apr 2012**

Hi Folk

If you have ever dreamed of owning an exquisite black opal ring stone, pendant stone or even both, here's a terrific opportunity to purchase such stone/s at very very affordable prices.

As we have said on many many occasions it is almost impossible to get rough material like this as the fields are being depleted, miners become too old to work the fields, petrol prices are sky high and the younger generations are not interested in putting in the many many hours it takes to discover opal.

A favourite of mine is IMG_3658 set brilliant Blue Green Lightning Ridge black opals 2.68cts, pendant stone and matching earrings for only \$268.

Each and every one of these beauties are cut, polished and ready to be set by a jeweller.

Just send us a quick email to secure the cut stone/s you are interested in.

Kind regards

Heather
