One of our jeweller clients makes some of the best inlay rings in the world from our rough opal. Occasionally I have him make something special for us and here is such a ring. The rough is from \$10,000/oz. We offer it to you for only \$950, the ring size is 6.25 in 18ct gold. Following are several pictures of this magnificent piece. What a wonderful gift for a wife, daughter or friend but please note that it is definitely too good for a mistress.
