Hi Folk

We have a special for you. We have a client in Borneo who buys Prase and Chrysoprase from us to make bangles. We did a deal with him, we asked him to make up a couple of bangles for the ladies in our family to wear but one is too large, it is 7.5 cm (3") in diameter. It is a beautiful bangle as you can see and it weighs 4.1oz. Our Borneo friend has charged us \$350US for this magnificent gem Jade bangle, we are prepared to let you have it for exactly our cost price \$350US. Now don't tell me that isn't a bargain.

There is a picture below of my wife wearing hers beside her Chrysoprase bangle with diamonds. I would keep this for my daughters or my PA but it's a bit big for their small wrists.

We only have the one bangle so it really is first in best dressed.

Regards

Murray
