Hi Folk

I have just taken this exquisite Lightning Ridge Black Opal ring into my possession and you may have it for only \$1,500. I couldn't sell you the stone and then get it set for that price.

This ring is set in 18ct white gold.

The opal weighs approximately 2.3cts and measures 14mm x 7mm.

It's hard to capture all the colours at once, it moves, has electric blues and some greens.

It's very delicate and feminine.

It was valued on 26/2/80 at \$1,050, see attached for a copy of that valuation. I believe the ring value today would be well in excess of US2,250.

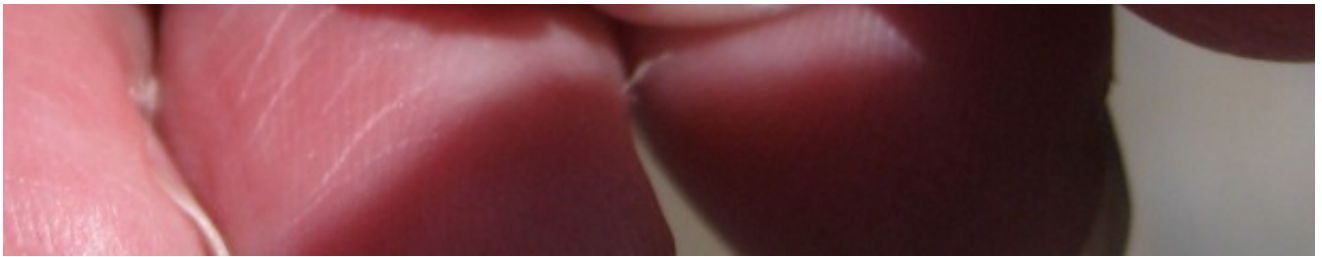

STOP PRESS:

It's now 3.30pm Friday afternoon in South Australia, I would like to offer to the first person who decides to purchase this gorgeous ladies ring before 9.00am our time on Monday morning, the fantastic reduced price of \$1,250.

I await your instructions.
