Subject: Supplementary Lightning Ridge OFFER Dec 2011

Hi Folk

It is obvious that a number of our clients are looking to buy themselves or their partners a last minute Christmas present. All our Offers have yet to go out to the many people on our list and the only Lightning Ridge stone we offered was snapped up immediately. Congratulations to the purchaser.

As a result Heather is now sending out another 8 stones from the Ridge, most of them have brilliant greens as the one that was on our original offer.

There are three stones here which are an absolute must. The first is 24.45cts Super Gem for only \$225, the second a magnificent little Lightning Ridge Nobbie for only \$42 and the third the Ridge reds and greens on black 37.65cts for only \$112.

For those of you who would have loved to have bought the \$325 black in our last Offer I suggest you buy the 44.55ct gem Ridge for only \$135.

And for the connoisseur the magnificent \$2,000 stone will thrill you and still be thrilling its viewers when you and I are long gone. It measures approximately 12mm x 20mm in the rough and there is more to be had in the rest of the stone, it is approximately 6mm thick.

Good and quick buying.

Regards

Murray
