Well we are having a hell of a day here. We put an Offer up this morning and within 14 minutes it had sold so we put another Offer up and within 16 minutes it had sold so we are going to go again only this time we are going to confuse you a little. There are 3 stones in this Offer they are all really large and very colourful, the stones are only \$800 each however on this occasion we are going to make a very special Offer, if anyone buys two of the stones we will give you the third one for free.

I did hear

"buy two get one free."

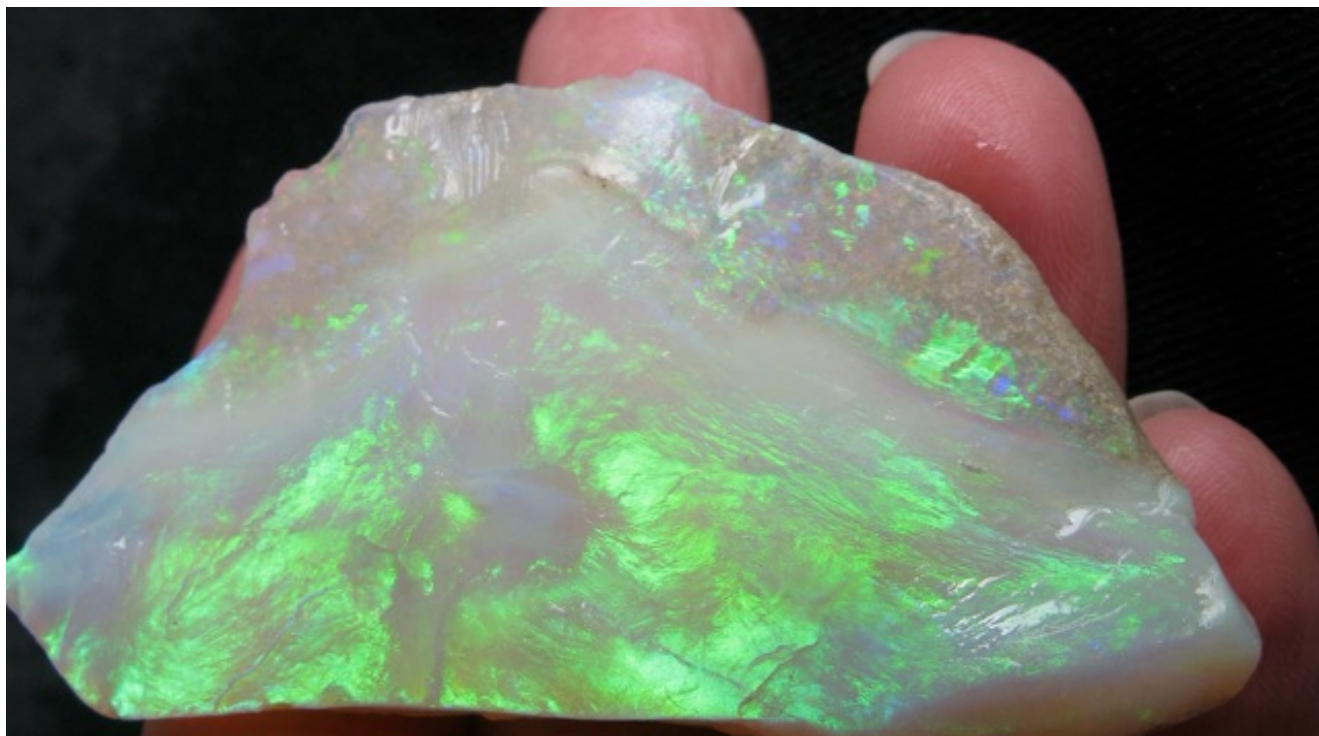

I never believed it but today it's true.

I wonder if we can beat the 14 minute record.

Regards

Murray
