Subject: **Mixed OFFER 20 Jun 2012**

Today we have another mixed offer with some new carvings.

One of our clients asked for an "Om sign" is a holy meditation symbol of Hinduism and Buddhism. We know it's very popular with people and we hope that a number of you will like these Boulder Om signs. They are drilled ready to be made into pendants and they are all less than \$70 each.

For the first time we have had some dragons carved from Andamooka Matrix, they are very beautiful. It is a natural stone and I think by far the best is the 32.8ct colourful gem dragon. It has colour both sides through and through and is even more brilliant than its older brothers and sisters. Although I must say on closer look under the light the \$75 Andamooka opal dragon is no slouch. There are also a couple of Chrysoprase dragons and these have proven to be very popular.

In the past we have cut seals from Boulder opal and the two we include here are as pretty as we have ever cut. The \$425 seal has super gem of approximately 8mm x 6mm rectangle behind its ear and lots of blue green across its body as you can see.

For the first time we have some square Chrysoprase, we have them in pairs for only \$37 pair that's about \$3/ct.

The Mintubi 4-8mm round 66cts for \$792 is an absolute bargain, it's not much more than \$10/ct and there are a number of stones in there worth a minimum of \$100/ct.

The beautiful Chrysoprase strands speak for themselves as do the half drilled gem 8mm rounds. You can make earrings from these for only \$39 pair.

For the first time we have Lapis - Blue beads, they are a beautiful blue and cut from stones that I secured when I was in South America last year. These are at most competitive prices.

If you are wanting a lovely Lightning Ridge black necklace with beautiful purples, blues and greens this strand for \$672 is very very reasonable.

Last but not least we have a fantastic cut stone from Coober Pedy. It is less than half price and a real treasure, it has a lovely high dome, is lovely and long, suitable for either a pendant or ring stone with magnificent reds, blues, greens and golds. You shouldn't miss this one!!

Once again first in best dressed.

Regards

Murray
