Hi Folk

As promised below are photos of some truly beautiful opal and chrysoprase Frog Pendants drilled and ready to be worn. Again, each are hand carved, unique, with their own identity. Each pendant frog is drilled from side to side (from ear to ear).

If you love big and chunky you can't go past the brilliant Boulder large Frog for only \$195, he's a beauty with gorgeous electric blues.

I love IMG_6726 Lightning Ridge semi black Frog \$160 he's a real sweetie, with deep purples.

Please get back to us straight away so we can put your name on them!!

Regards

Heather
