Hi Folk

We have secured a fabulous parcel of Mintubi and have selected the "pick of the bunch" (6 stones) to share with you today.

The miners made it very easy for us to see the quality of each of the stones as they have ground down just a fraction on the face of each stone to see what the colour is like and I must say they all have brilliant greens & golds. There are enough matching stones in this parcel to make a pendant, earrings, brooch and ring as a minimum, with some to spare.

We are happy to sell this parcel as a whole or individually.

We hope you enjoy the photos and look forward to hearing back from you.

Kind regards

Heather
