Hi Folk

With Valentine's Day just around the corner you are not too late to consider purchasing an exquisite opal heart drilled and ready to be worn for you to give your sweetheart.

All girls, both young and not quite as young would love to receive one of these from their beau on Valentine's Day.

Why spend hours drudging through the shops when you can save time by ordering from direct from Australian Opal Mines online, there is still time to receive your purchase in the post as long as you don't dilly dally. We can even have your order gift wrapped for you.

We look forward to hearing from you by email.

Best wishes.

Regards

Murray
